

Farm to Bay: Know Before You Go

Saturday, August 3

4:00 - 7:30 PM

Here are a few things you need to know before the event:

BEFORE YOU ARRIVE

Ride Share and Parking:

Thanks to the generosity of our neighbors, **complimentary parking will be available at Collins Aerospace, located at 850 Lagoon Dr, Chula Vista, CA 91910.** Once parked, please check in and wait for one of our shuttles. Guests arriving via ride shares (Taxis, Uber, Lyft, etc.) must be dropped off at 850 Lagoon Dr and take the shuttle. Shuttles begin at 3:45 PM and will be available throughout the event.

Guests who require a wheelchair lift should park in the accessible spots at our regular parking lot and wait for the Living Coast-branded shuttle bus.

Registration is Zero Waste:

No need to print tickets - all guest names will be at check-in when you arrive at Farm to Bay. This is a 21+ event, so please bring your ID. No infants, children, or pets are permitted.

Attire:

Farm To Bay's dress code is business casual. Most of the event is outdoors; you may wear comfortable shoes and a light sweater/jacket. Remember sunscreen and a hat. The weather is forecasted to be warm.

We look forward to seeing you at Farm to Bay –

Thank you for your support of coastal wildlife, education, and sustainability programs at the Living Coast Discovery Center.

If you have any questions, feel free to contact us at (619) 409-5900 or info@thelivingcoast.org.
