Where should I park?

Parking for the event will be in our regular parking lot and free of charge! View the parking map [here](#). After parking, wait for the complimentary shuttle. The shuttle will be available to take you to your car at any time throughout the event.

Will there be food?

Yes! Food will be available for purchase from the Taco Therapy food truck. We will also have coffee and other goodies available for purchase from Kayak Cafe. You are welcome to bring your water bottles, of course!

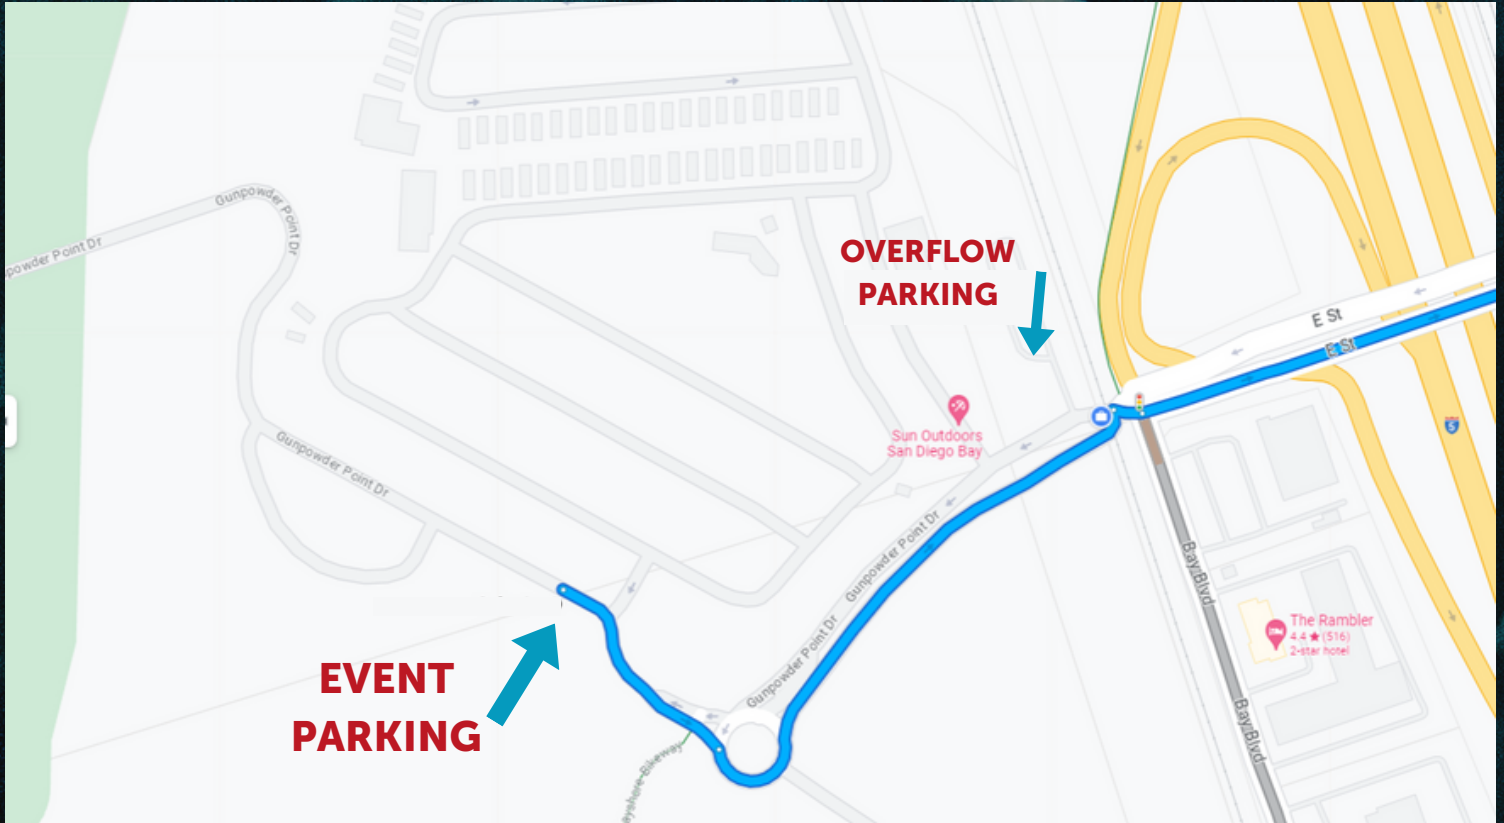

Do I need a costume?

Costumes are not required but are encouraged! At the end of the event, we will be hosting a costume parade to show off everyone's looks. You won't want to miss it!

Should I print my ticket?

No printer? No problem! You will need a mobile or printed version of your tickets to check in to the event. Tickets will be available at the door! Grab your friends and bring them along!
